Dear Sir/Madam:

**RE: BONAVIDA ENERGY CORPORATION
VENTING NOTIFICATION FOR A BATTERY KNOWN AS BONAVIDA CROSSFIELD 13-02-28-02 W5M
(SURFACE LOCATION 13-02-28-02 W5M)**

Please be advised that our client, Bonavista Energy Corporation ("Bonavista") intends to conduct a plant turnaround at the above existing battery, commencing approximately on Tuesday, April 19, 2022 to Sunday, May 15, 2022.

Gas will be released at a rate of maximum 1.5 e3m3/day with a 15 e3m3 total volume during April and a 15 e3m3 total volume during May, venting consistently for 24 hours per day, over a twenty-seven (27) day period.

Venting may be extended if additional cleanup is required.

Should you have any questions or require additional information, please feel free to contact Bonavista's representatives or the undersigned at (403) 850-9241.

Bonavista representatives:

Production Engineer in Training: Tucker Kambeitz (403) 597-2141
Production Foreman: Jason Sherriffs (403) 466-6397

In addition, you may contact the AER Mindapore Field Office at (403) 297-8303.

We are notifying all Resident(s) within a 1.5 km radius.

Yours truly,
VERTEX PROFESSIONAL SERVICES LTD.
As Agent for Bonavista Energy Corporation
