RE: Development Permit #PRDP20250050

Lot 1, Block 1, Plan 0010226, NW-27-22-28-04; (224140 RANGE ROAD 283)

The Development Permit application for construction of an Accessory Building, greater than 190.00 sq. m (2,045.14 sq. ft.), relaxation to the minimum rear yard setback requirement has been **conditionally-approved** by the Development Officer subject to the listed conditions below (**PLEASE READ ALL CONDITIONS**):

Description:

1. That the construction of an Accessory Building, approximately 280.93 sq. m (3024 sq. ft.) in size, may commence on the subject parcel, in general accordance with the application, and site plans prepared by D Bar D, dated December 23, 2024.
 - i. That the minimum rear yard setback requirement shall be relaxed from **7.00 m (22.97 ft.) to 4.60 m (15.09 ft.)**.

Prior to Release:

2. That prior to release of this permit, the Applicant/Owner shall contact County Road Operations with haul details for materials and equipment needed during construction/site development. Information provided will confirm if a Road Use Agreement or a Roadata/Heavy Haul/Overweight/Overdimension Permit will be required for any hauling along the County Road system and to confirm the presence of County road ban restrictions.
 - i. The Applicant/Owner shall answer all questions from the County Road Operations Road Use Agreement Questionnaire (*Bylaw C-8323-2022*) and send the information to roaduse@rockyview.ca;
 - ii. Any required agreements or a Roadata/Heavy Haul/Overweight/Overdimension Permit shall be obtained unless otherwise noted by County Road Operations;
 - iii. If a road use agreement is required, the Applicant/Owner shall be required to provide a refundable security to the County pursuant to the *Road Use Agreement Bylaw C-8323-2022*; and
 - iv. Written confirmation shall be received from County Road Operations confirming the status of this condition.

Permanent:

3. That if this Development Permit is not issued by **October 31, 2025**, or the approved extension date, then this approval is null and void and the Development Permit shall not be issued.
4. That for any undeveloped graded area(s), there shall be a minimum of six inches of topsoil placed on top, which shall then be spread and seeded to native vegetation or landscaped, to the satisfaction of the County.
5. That the Applicant/Owner shall ensure overland surface drainage shall not be directed into the County's road right-of-way.
6. That the Accessory Building shall not be used as a *Vacation Rental* or Home-Based Business or for commercial purposes at any time unless approved by a Development Permit.
7. That the Accessory Building shall be similar to, and complement, the Principal Building in exterior material, colour and appearance.
8. That there shall be no more than 2.00 m (6.56 ft.) of excavation and 1.00 m (3.28 ft.) of fill placed adjacent to or within 15.00 m (49.21 ft.) of the proposed building under construction that is used to establish approved final grades unless a Development Permit has been issued for additional grading.
9. That the Applicant/Owner shall take whatever means necessary to prevent visible dust associated with the development from escaping the site and having adverse effects on adjacent roadways and properties.
10. That the Applicant/Owner shall be solely financially responsible for rectifying any adverse effect on adjacent lands from drainage alteration, including stormwater implications from the proposed development. Post-development drainage shall not exceed pre-development drainage.
 - i. That any lot regrading and excavation is not to direct any additional overland surface drainage nor negatively impact existing drainage patterns in any road right-of-way.
 - ii. That upon completion of the proposed development, the County may request the Applicant/Owner submit an as-built survey, confirming the post-development drainage does not exceed pre-development drainage and is in compliance with any matter submitted and approved as part of the of the Development Permit application, or in response to a Prior to Release condition.
11. That all on-site lighting, including private, site security and parking area lighting, shall be designed to conserve energy, reduce glare, and reduce uplift, in accordance with Sections 225-227 of the County's *Land Use Bylaw C-8000-2020*. All lighting shall be full cut-off (shielded) and be located and arranged so that no direct rays of light are directed at any adjoining properties, that may interfere with the use and enjoyment of neighbouring lands or interfere with the effectiveness of any traffic control devices or the vision/safety of motorists.
12. That if the development authorized by this Development Permit is not commenced with reasonable diligence within twelve (12) months from the date of issue and completed within twenty-four (24) months of the issue, the permit is deemed to be null and void, unless an extension to this permit shall first have been granted by the Development Officer.

Advisory:

- That during construction, all construction and building materials shall be on-site in a neat and orderly manner. Any debris or garbage shall be stored/placed in garbage bins and disposed of at an approved disposal facility.
- That a building permit and applicable sub-trade permits are required through the County's Building Services department, prior to any construction taking place. Compliance with the *National Energy Code* is also required.
- That the site shall remain free of Regulated, Prohibited Noxious, Noxious, or Nuisance weeds and be maintained in accordance with the *Alberta Weed Control Act [Statutes of Alberta, 2008 Chapter W-5.1; Current as of December 7, 2023]*.
- That the subject development shall conform to the County's *Noise Control Bylaw C-8067-2020 & Road Use Agreement Bylaw C-8323-2022*, in perpetuity.
- That any other federal, provincial, or County permits, approvals, and/or compliances, are the sole responsibility of the Applicant/Owner.

If Rocky View County does not receive any appeal(s) from you or from an adjacent/nearby landowner(s) by **Tuesday, May 13, 2025**, a Development Permit may be issued, unless there are specific conditions which need to be met prior to release. If an appeal is received, then a Development Permit will not be issued unless and until the decision to approve the Development Permit has been determined by the Subdivision and Development Appeal Board.
