**RE: Development Permit #PRDP20251485**

**Lot 1, Block 1, Plan 1111875 ,NE-03-28-26-W4M; (A 280149 Range Road 262)**

The Development Permit application for the placement of a Dwelling, Manufactured has been **conditionally-approved** by the Development Officer subject to the listed conditions below (**PLEASE READ ALL CONDITIONS**):

#### Description:

1. That the placement of a Dwelling, Manufactured may commence on the subject parcel, in general accordance with the approved site plans and drawings submitted with the Application.

#### Prior to Release:

2. That prior to release of this permit, the Applicant/Owner shall contact County Road Operations with haul details for materials and equipment needed during construction/site development. Information provided will confirm if a Road Use Agreement or a Roadata/HeavyHaul/ Overweight/Overdimension Permit will be required for any hauling along the County Road system and to confirm the presence of County road ban restrictions.
  - i. The applicant/owner shall answer all questions from the County Road Operations Road Use Agreement Questionnaire (Bylaw C-8323-2022) and send the information to [roaduse@rockyview.ca](mailto:roaduse@rockyview.ca);
  - ii. Any required agreements or Roadata/Heavy Haul/Overweight/Overdimension Permit shall be obtained unless otherwise noted by County Road Operations.
  - iii. If a road use agreement is required, the applicant/owner shall be required to provide a refundable security to the County pursuant to the *Road Use Agreement Bylaw C-8323-2022*;
  - iv. Written confirmation shall be received from County Road Operations confirming the status of this condition.

#### Permanent:

3. That if the prior to release conditions have not been met by **August 31, 2025**, or through an approved extension date, then this approval is null and void and the Development Permit shall not be issued.
4. That for any undeveloped graded area(s), there shall be a minimum of six inches of topsoil placed on top, which shall then be spread and seeded to native vegetation or landscaped, to the satisfaction of the County.
5. That any plan, technical submission, agreement, or other matter submitted and approved as part of the Development Permit application or as submitted, shall be implemented, and adhered to in perpetuity.

6. That there shall be a minimum of one (1) parking stall maintained on-site at all times dedicated to the Dwelling, Manufactured.
7. That the Dwelling, Manufactured shall not be used as a *Vacation Rental* or for commercial purposes at any time unless approved by a Development Permit.
8. That all on-site lighting, including private, site security and parking area lighting, shall be designed to conserve energy, reduce glare, and reduce uplight, in accordance with Sections 225-227 of the County's *Land Use Bylaw C-8000-2020*. All lighting shall be full cut-off (shielded) and be located and arranged so that no direct rays of light are directed at any adjoining properties, that may interfere with the use and enjoyment of neighbouring lands, or interfere with the effectiveness of any traffic control devices or the vision/safety of motorists.
9. That the Applicant/Owner shall be solely financially responsible for rectifying any adverse effect on adjacent lands from drainage alteration, including stormwater implications from the proposed development. Post-development drainage shall not exceed pre-development drainage.
  - i. That any lot regrading and excavation is not to direct any additional overland surface drainage nor negatively impact existing drainage patterns in any road right-of-way.
  - ii. That upon completion of the proposed development, the County may request the Applicant/Owner submit an as-built survey, confirming the post-development drainage does not exceed pre-development drainage and is in compliance with any matter submitted and approved as part of the of the Development Permit application, or in response to a Prior to Release condition.
10. That the Applicant/Owner shall take whatever means necessary to prevent visible dust associated with the development from escaping the site and having adverse effects on adjacent roadways and properties.
11. That if the development authorized by this Development Permit is not commenced with reasonable diligence within twelve (12) months from the date of issue and completed within twenty-four (24) months of the issue, the permit is deemed to be null and void, unless an extension to this permit shall first have been granted by the Development Officer.

#### Advisory:

- That the Applicant/Owner shall obtain and display a distinct municipal address for each dwelling unit located on the subject site (the existing Dwelling, Single Detached and the proposed Manufactured Dwelling), in accordance with the County's *Municipal Addressing Bylaw* (Bylaw C-7562-2016), to facilitate emergency response. *Note: the municipal address for the Manufactured Dwelling is A 280149 Range Road 262.*
- That a building permit and applicable sub-trade permits are required through the County's Building Services department, prior to any construction taking place. Compliance with the *National Energy Code* is also required.
- That the Applicant/Owner may be required to provide an assessment verifying that the existing Private Sewage Treatment System (PSTS) is sufficiently sized to accommodate the proposed ADU.
- That during construction, all construction and building materials shall be maintained on-site in a neat and orderly manner. Any debris or garbage shall be stored/placed in garbage bins and disposed of at an approved disposal facility.
- That the site shall remain free of Regulated, Prohibited Noxious, Noxious, or Nuisance weeds and be maintained in accordance with the *Alberta Weed Control Act* [*Statutes of Alberta, 2008 Chapter W-5.1; Current as of December 7, 2023*].
- That the subject development shall conform to the County's *Noise Control Bylaw C-8067-2020 & Road Use Agreement Bylaw C-8323-2022*, in perpetuity.
