RE: Development Permit # PRDP20254666
NE-27-27-03-W05M; (274215 LOCHEND ROAD)

The Development Permit application for construction of an Accessory Building greater than 930.00 sq. m. (10,010.40 sq. ft.) (cattle barn), has been **conditionally approved** by the Development Officer subject to the listed conditions below **(PLEASE READ ALL CONDITIONS)**:

Description:

1. That the construction of an Accessory Building greater than 930.00 sq. m. (10,010.40 sq. ft.) (cattle barn), approximately 1,308.08 sq. m. (14,080.00 sq. ft.) in footprint, may commence on the subject parcel, in accordance with the approved application and plans, and conditions of approval as amended.

Prior to Release:

2. That prior to release of this permit, the Applicant/Owner shall contact County Engineering Services for pre-construction and a post-construction inspection for final approach acceptance.
 - i. Written confirmation shall be received from County Engineering Services confirming the status of this condition.
3. That prior to release of this permit, the Applicant/Owner shall contact County Road Operations with haul details for materials and equipment needed during construction/site development. Information provided will confirm if a Road Use Agreement or a Roadata/Heavy Haul/Overweight/Overdimension Permit will be required for any hauling along the County Road system and to confirm the presence of County road ban restrictions.
 - i. The Applicant/Owner shall answer all questions from the *County Road Operations Road Use Agreement Questionnaire* (Bylaw C-8323-2022) and send the information to roaduse@rockyview.ca;
 - ii. Any required agreements or a Roadata/Heavy Haul/Overweight/Overdimension Permit shall be obtained unless otherwise noted by County Road Operations;
 - iii. If a road use agreement is required, the Applicant/Owner shall be required to provide a refundable security to the County pursuant to the *Road Use Agreement Bylaw C-8323-2022*; and
 - iv. Written confirmation shall be received from County Road Operations confirming the status of this condition.

Permanent:

4. That if the prior to release condition has not been met by **FEBRUARY 28, 2026**, or through an approved extension date, then this approval is null and void and the Development Permit shall not be issued.
5. That the Applicant/Owner shall be solely financially responsible for rectifying any adverse effect on adjacent lands from drainage alteration, including stormwater implications from the proposed development. Post-development drainage shall not exceed pre-development drainage.
 - i. That any lot regrading and excavation is not to direct any additional overland surface drainage nor negatively impact existing drainage patterns in any road right-of-way; and
 - ii. That upon completion of the proposed development, the County may request the Applicant/Owners submit an as-built survey, confirming the post-development drainage does not exceed pre-development drainage and is in compliance with any matter submitted and approved as part of the Development Permit application, or in response to a Prior to Release condition.
6. That there shall be no more than 2.00 m (6.56 ft.) of excavation and 1.00 m (3.28 ft.) of fill placed adjacent to or within 15.00 m (49.21 ft.) of the proposed building under construction that is used to establish approved final grades unless a Development Permit has been issued for additional grading.
7. That the Accessory Building shall not be used as a Dwelling Unit and shall not be used for *business* purposes at any time, including the parking of any *Vehicle (Commercial)* unless approved by a Development Permit.
 - i. "Vehicle (Commercial)" means a vehicle, motor, used for commercial or industrial business operations, exceeding 5,500kg or 7.00 m (22.97 ft.) in length.
8. That any plan, technical submission, agreement, matter, or understanding submitted and approved as part of the application, in response to a Prior to Release or Occupancy condition, shall be implemented and adhered to in perpetuity.
9. That all on-site lighting, including private, site security and parking area lighting, shall be designed to conserve energy, reduce glare, and reduce uplift, in accordance with Sections 225-227 of the County's *Land Use Bylaw C-8000-2020*. All lighting shall be full cut-off (shielded) and be located and arranged so that no direct rays of light are directed at any adjoining properties, that may interfere with the use and enjoyment of neighbouring lands or interfere with the effectiveness of any traffic control devices or the vision/safety of motorists.
10. That the Applicant/Owner shall take whatever means necessary to prevent visible dust associated with the development from escaping the site and having adverse effects on adjacent roadways and properties.
11. That if the development authorized by this Development Permit is not commenced with reasonable diligence within twelve (12) months from the date of issue and completed within twenty-four (24) months of the issue, the permit is deemed to be null and void, unless and extension to this permit shall first have been granted by the Development Officer.

Advisory:

- That a Building Permit and applicable sub-trade permits are required through the County's Building Services department, prior to any construction and demolition taking place. Compliance with the *National Energy Code* is also required.

- That during construction and demolition, all construction and building materials shall be maintained on-site in a neat and orderly manner. Any debris or garbage shall be stored/placed in garbage bins and disposed of at an approved disposal facility.
- That it is the responsibility of the Applicant/Owner to obtain all necessary approvals from the Ministry of Environment and Protected Areas.
- That the site shall remain free of Regulated, Prohibited Noxious, Noxious, or Nuisance weeds and be maintained in accordance with the *Alberta Weed Control Act [Statutes of Alberta, 2008 Chapter W-5.1; Current as of December 7, 2023]*.
- That the subject development shall conform to the County's *Noise Control Bylaw C-8067-2020 & Road Use Agreement Bylaw C-8323-2022*, in perpetuity.
- That any other federal, provincial, or County permits, approvals, and/or compliances, are the sole responsibility of the Applicant/Owner.

If Rocky View County does not receive any appeal(s) from you or from an adjacent/nearby landowner(s) by **Tuesday, August 19, 2025**, a Development Permit may be issued, unless there are specific conditions which need to be met prior to release. If an appeal is received, then a Development Permit will not be issued unless and until the decision to approve the Development Permit has been determined by the Subdivision and Development Appeal Board.
