### ***Role of Public Members:***

*Public Members will serve as community representatives, offering local insight and helping ensure that the planning process reflects the needs and aspirations of Langdon residents. While the TRC is not a decision-making body, it plays an important advisory role throughout the process.*

**Key Responsibilities:**

- *Attend and participate in TRC meetings (anticipated monthly or as needed).*
- *Review and provide input on technical reports and draft plan materials.*
- *Represent community interests relevant to the Technical Studies.*
- *Communicate respectfully and constructively with fellow committee members, including County staff, consultants, and other stakeholders.*

**Who Should Apply:**

*We welcome applications from individuals who:*

- *Reside in or own property in the Langdon area.*
- *Can commit time to attend meetings and review materials.*
- *Are able to contribute to constructive dialogue.*

**Term & Commitment:**

*Appointments will be for the duration of the project, anticipated to be 12 months. Meetings may be held virtually or in person at Langdon Waterworks office.*

**To Apply:**

*Please submit a brief expression of interest including:*

- *Your name and contact information*
- *A short statement (max 300 words) describing your interest in serving on the TRC, any relevant background, and what you hope to contribute*

Applications can be sent to [planning\\_policy@rockyview.ca](mailto:planning_policy@rockyview.ca). The deadline to apply to be on the Technical Review Committee will be on **June 23, 2025**.
