11. PART A – REDESIGNATION APPLICATION REQUIREMENTS

Redesignation applications preceded by an earlier application:

In many instances, a redesignation application is preceded by one or a number of applications which affect the development of land, set the higher-level strategic intent associated with amendments to Area Structure Plans or the adoption of Local Plans (Conceptual Schemes and Master Site Development Plans). In these cases, there are a range of technical documents which may have already been required and provided.

Owing to the passage of time between applications, the introduction of new policy or new technical standards, updated versions of previously provided technical reports may be required. Preceding applications may have introduced requirements or expectations for further technical reports to be provided as part of redesignation applications. These matters should be addressed accordingly.

The application checklist herein is a general list of the technical reports required as there may be occasions where additional information is required.

11. PART A – REDESIGNATION APPLICATION REQUIREMENTS (continued)

The application shall include the following:

- ☐ **APPLICATION FORM:** All parts completed and signed.
- ☐ **APPLICATION FEE:** Refer to Planning and Development Fee Schedule within the [Master Rates Bylaw](#).
- ☐ **CURRENT LAND TITLES CERTIFICATE COPY - dated within 30 days of application**
- ☐ **COPY OF ALL NON-FINANCIAL INSTRUMENTS/CAVEATS REGISTERED ON TITLE**
- ☐ **LETTER OF AUTHORIZATION:** Signed by the registered landowner(s) authorizing person acting on behalf (if not the Applicant). If registered owner on title is a company, authorization to be provided on a company letterhead or as an affidavit (signed by a Commissioner for Oaths).
- ☐ **BYLAW AMENDMENT:** Copy of any proposed bylaw amendments in the form of a Rocky View County Bylaw – where the redesignation proposes a Direct Control Bylaw, or amendments to the existing Land Use Bylaw.
- ☐ **PLAN OF DEVELOPMENT:** Show proposed plan of development identifying proposed general location of existing buildings/uses, future buildings/uses, and any proposed subdivision layout.
- ☐ **COVER LETTER, shall include:**
 - ☐ Description of the use or uses proposed for the land that is the subject of the application.
 - ☐ Detailed assessment of the proposed development with relevant Statutory and Local Plans.
- ☐ **TECHNICAL REPORTS:** Any reports determined to be necessary in order to assess the suitability of land for redesignation/development, including items identified within the County Servicing Standards.

11. PART B – SERVICING REQUIREMENTS: RESIDENTIAL PURPOSES (excluding First Parcel Out/Farmstead)

Wastewater and Water Supply

- ☐ Where the County determines that the subject land is in proximity to a piped wastewater or water supply system, the Applicant shall provide evidence that the systems has sufficient capacity to accommodate the proposed development in accordance with Alberta Environment Sustainable Resource Development (AESRD) requirements; **OR**
- ☐ Where the County determines that a regional or decentralized wastewater or water supply system is required, the Applicant shall provide a written conceptual submission prepared by a suitably qualified person outlining the proposed treatment and disposal system and proposed water supply system;
- ☐ Where the County has determined that a piped water supply system is not available for connection and a regional or decentralized system is either not proposed or not required, and there are six (6) or more lots in the quarter section, the Applicant shall provide a Supply Evaluation (phase 1) in accordance with the County Servicing Standards; and
- ☐ Where the County has determined that a piped wastewater system is not available for connection and a regional or decentralized system is either not proposed or not required, the Applicant shall provide a written statement regarding wastewater treatment and disposal proposed for the development.

Stormwater Management

- ☐ A statement from a suitably qualified stormwater engineer (P.Eng) regarding the necessity for a detailed stormwater management plan/report including the general rationale for this position. If the statement indicates that a Site Specific Stormwater Implementation Plan (SSIP), where the development involves fewer than 10 lots ultimately or Stormwater Management Report (SWMP), where the development involves 10 or more lots ultimately is required, the plan/report shall provide recommendations for any required works to manage stormwater, including identification of downstream conveyance requirements.

Traffic Impacts

- ☐ A statement from a suitably qualified traffic engineer (P.Eng) regarding the necessity for a Traffic Impact Assessment (TIA) including the general rationale for this position. A TIA shall be prepared if identified as required by the engineer. Notwithstanding, a TIA shall be prepared if the County requires the assessment in order to process the application.

12. TERMS, CONDITIONS AND NOTES

The following terms, conditions and additional notes are not limiting on Council or the County in the requirement of supporting information for an application or the imposition of conditions on a future approval.

1. **Boundary Realignment/Adjustment:** Additional technical studies for a boundary realignment application is not typically required unless the proposal significantly reduces the size of one of the parcels that is subject of the application, such that technical considerations need to be addressed. For example, a residential lot is reduced in size as a result of redesignation and boundary realignment that demands a higher level of proof for servicing. The County reserves the right to request additional technical reports if it is considered that previous servicing (including wastewater, stormwater, traffic and water supply) arrangements are insufficient.
2. **All information provided with this application is available for public review and comment.**
3. The relevant Authority (Subdivision or Development) at subdivision or development permit stage:
 - a) May include any condition necessary to satisfy a Land Use Bylaw provision or a County Plan, Area Structure Plan, Conceptual Scheme or Master Site Development Plan policy or County Servicing Standard.
 - b) By condition, require provision of a Construction Management Plan where on-site works are proposed.
 - c) May impose any condition to meet a requirement of the Municipal Government Act (MGA) or Subdivision and Development Regulation.
 - d) As a condition of approval, may include requirement to update technical reports submitted with the application.
 - e) Shall impose requirements for the payment of levies associated with Bylaws for transportation, wastewater, water supply and stormwater:
 - i. Transportation Offsite Levy Bylaw;
 - ii. Water and Wastewater Offsite Levy Bylaw; and
 - iii. Such other Bylaws as may be in force or come into force and be applicable to development or activities on or services provided to the subject land from time to time.
 - f) Shall determine any oversizing requirements for services and infrastructure required to be constructed as part of the proposed development. The County will determine Cost Recovery arrangements through preparation and execution of documents prior to endorsement of a plan or survey for registration.
 - g) Shall determine any outstanding municipal reserve dedications, cash-in- lieu payments or deferrals where applicable.
4. *Technical reports* are defined as report of any information regarding a matter identified in the MGA, Subdivision and Development Regulations, Statutory Plan, County Policy, Servicing Standards or Bylaw.
5. Additional technical reports may be required based upon the ongoing assessment of the application.
6. All costs of development are borne by the landowner or developer including, but not limited to, all on and off-site construction works, infrastructure development, securities, levies, contributions, reserve payments, additional fees associated the preparation and review of reports and technical assessments, endorsement fees imposed by the County, registration fees and such other costs as may be associated with the development of the land and the registration of any and all documents to create separate title for proposed parcels. Further, that it is the landowner's and developer's responsibility to identify and consider all costs of development.
7. The applicant and landowner acknowledge that not providing the information required in this form or failing to provide accurate information may prejudice the assessment of the application.
8. The applicant and landowner acknowledge that the County including individual staff members have not provided an advisory role with respect to the preparation and making of this application and that the decision to make the application is entirely that of the applicant and landowner.
