

Community Litter Pick-Up Program

Does your community need a spring litter pick-up after the snow melts? Rocky View County's Community Litter Pick-Up Program can help. Gather your friends, family, and colleagues to spend a few hours picking up litter from your community's public spaces. Get some fresh air and exercise by joining your fellow community members to help freshen up your community.

These one-day Pick-Up events will take place from May to October across different County communities. Sign up and receive orange litter bags and gloves for the litter pick-up. Once full, participants can bring their orange litter bags to a designated County transfer site at no cost on the day of the event. Alternatively, advanced arrangements can be made to have a County staff member use a pickup truck to transport the filled orange litter bags to a designated County transfer site on your behalf.

The following list provides a guideline for the items that are and are not accepted as part of this program:

Items Accepted	Items NOT Accepted
<ul style="list-style-type: none">-Litter from parks, streets, and ditches collected in the orange litter bags<ul style="list-style-type: none">-Items may include chip bags, candy wrappers, coffee cups, etc. -Larger bulk items found in parks, streets, and ditches that will not fit in the orange litter bags<ul style="list-style-type: none">-Only the County staff member can dispose of the larger bulk items free of charge at the transfer site-Bulk items may include pieces of wood, scrap metal, etc.	<ul style="list-style-type: none">-Litter NOT collected in the orange litter bags -Litter collected in the orange litter bags that are NOT brought to the designated transfer site or collection point on the day of the event -Household garbage<ul style="list-style-type: none">-Please do not use the orange litter bags for garbage generated on personal property -Large bulk items from personal property

Want to sign your community up for a Litter Pick-Up event? Need more information on what support the County can provide? Please contact the Solid Waste and Recycling group at wasteandrecycling@rockyview.ca or call 403-230-1401.
