ROCKY VIEW COUNTY DIRECT CONTROL BYLAW C-4763-97

DIRECT CONTROL BYLAW REGULATIONS

1.0.0 GENERAL REQUIREMENTS

- 1.1.0 The General Land Use Regulations as contained in Section 8 of the Land Use Bylaw do not apply except where specifically noted in this bylaw.
- 1.2.0 Except where it is specifically noted that Council approval is required, the Development Officer shall consider and decide on applications for development permits for those uses that are listed as “Permitted Uses” and “Discretionary Uses” by this Bylaw provided the provisions of Section 1.0.0 and 8.0.0 of this Bylaw are completed in form and substance satisfactory to the Municipality.
- 1.3.0 For the purposes of this Bylaw the Lands shall be notionally divided into Development Cells, the boundaries and description of which shall be more or less as indicated in Schedule “A” attached to and forming part of this bylaw, except as otherwise approved by Council.
- 1.4.0 The size and shape of each Development Cell is approximate, but shall generally comply with Bylaw C-4762-97 (Elbow Valley Area Structure Plan) and will be more precisely determined by a Tentative Plan in form and substance satisfactory to the Municipality, to be submitted to the Municipality by the Developer as an application for subdivision approval.
- 1.5.0 All Residential Development Cells shall consist exclusively of Developable Land as determined by Council in its sole and unfettered discretion.
- 1.6.0 No development shall take place within the area shown as Floodway of the Elbow River or Lott Creek as shown in Bylaw C-4762-97 (Elbow Valley ASP), except for:
 - (a) roads and bridges;
 - (b) flood or erosion protection measures or devices;
 - (c) pathways that are constructed level with the existing natural grades; and
 - (d) recreation facilities provided there are no buildings, structures, or other obstructions to flow in the floodway (excepting water control apparatus or structures).
- 1.7.0 That all buildings or additions constructed within the lands shown as:
 - (a) Flood Fringe in Bylaw C-4762-97 (Elbow Valley ASP) shall be placed on compacted fill that is 0.6 meters above the 1:100 flood elevation as shown in AGRA Elbow River Flood - M.D. of Rocky View Flood Risk Mapping Study of February 9, 1996, Drawing 1444-106 Map as revised March 1997, as amended by Flood Risk Management Map No. 96029-F01, dated December, 1998, and shown on Map No. 6 and No. 6a of the Elbow Valley Area Structure Plan (bylaw C-4762-97), as amended.
 - (b) That all development within the Floodway as shown in Bylaw C-4762-97 (Elbow Valley ASP) shall be such that during construction and upon completion there shall not be a negative impact on lands in terms of 1:100 flood levels or water flow velocity upstream and downstream of the site.

**ROCKY VIEW COUNTY
DIRECT CONTROL BYLAW C-4763-97**

(c) That all development within the Floodway and Flood Fringe as shown in Bylaw C-4762-97 (Elbow Valley ASP) is discretionary.

1.8.0 The use of any portion of the Lands for private man-made ponds or lakes shall only be permitted if their design and construction is in accordance with plans and specifications prepared by a qualified professional to the satisfaction of the municipality and Alberta Environmental Protection.

1.9.0 In addition to the "Permitted Uses" contemplated by Section 2 of this Bylaw, the following shall be discretionary uses in all Development Cells subject to the approval by Council of a Development Permit, and pursuant to Bylaw C-4762-97:

1.9.1 roads necessary for access; and

1.9.2 utility distribution and collection systems necessary to service the Development.

1.10.0 For the purposes of this Bylaw the following shall apply to Residential Development Cells:

1.10.1 Section 8.6.0 of Land Use Bylaw C-1725-84 shall apply to the siting of accessory buildings on the Lands provided that no accessory building shall exceed 5 metres (16.40 feet) in height or 69.7 metres (750 square feet) in area;

1.10.2 Section 8.7.3 of Land Use Bylaw C-1725-84 shall apply to the height of any fences on the Lands;

1.10.3 Section 8.15.1 of Land Use Bylaw C-1725-84 shall apply to the owner(s) of any interest in the Lands;

1.10.4 Section 8.4.0 of Land Use Bylaw C-1725-84 shall apply to the height of all buildings on the Lands.

1.11.0 No subdivision shall be approved and no Development Permit shall be issued for the lands until a historical resources impact assessment prepared by the Developer has been submitted and is satisfactory in both form and substance to each of Council and Alberta Community Development.

1.12.0 No subdivision linen shall be endorsed and no Development Permit shall be issued for the lands until the Municipality and the Developer have executed a Development Agreement(s) (the "Development Agreement") where required, in form and substance satisfactory to Council or the Development Officer in its or his/her own sole and unfettered discretion.

1.13.0 Council may, through the Development Agreement(s) required by this Bylaw, specify any development regulation, criteria or condition necessary to ensure all Subdivision and Development on the Lands conform to the development proposals and representations upon which this Bylaw is based, as determined by and to the satisfaction of the Council in its sole and unfettered discretion.

1.14.0 No use shall be made of all or any portion of the Lands for Development without and until a Hydrogeological Study prepared by the Developer that establishes existing groundwater chemistry, the rate and direction of groundwater flow, a long term plan for groundwater monitoring, a chemical management plan for fertilizers, herbicides, pesticides and irrigation and the facilities that will be provided by the Developer to implement the monitoring program and chemical management plan,

9.2.0 Wastewater treatment and disposal systems using septic tanks and attendant fields are not permitted within the Lands unless otherwise approved by Council.

9.3.0 Separate Development Permits and/or Development Agreements shall be required for each of the Development Cells or portions of them, and each Development Permit and/or Agreement shall provide that:

- a) no stripping, excavation or construction on any of the Lands shall occur until appropriate Letter(s) of Credit acceptable in form and substance to the Council has been deposited with the Municipality.
- b) no occupancy of any dwelling unit shall occur until the construction of all roads and utilities required to serve the Residential Development Cells or portions of them, have been completed to specifications satisfactory to the Municipality.

ROCKY VIEW COUNTY
DIRECT CONTROL BYLAW C-4763-97

- c) the development of the cells will be in accordance with a Building Scheme satisfactory to Council which has been prepared and submitted by the Developer to the Municipality and which includes, but is not limited to, proposed bareland condominium property lines, architectural guidelines, and Building Envelope boundaries which coincide with the relevant subdivision plans as approved by Council. This Scheme will be registered as a Restrictive Covenant against the Lands.

- 9.4.0 All development upon the Lands shall be in accordance with all plans and specifications submitted as part of this Bylaw and all licenses, permits and approvals pertaining to the Lands, and shall be carried out generally in phases as contemplated by the "Residential Phasing Plan" contained in Bylaw C-4762-97 (Elbow Valley ASP).
- 9.5.0 Prior to any development that will alter natural storm drainage into the Elbow River or Lott Creek, the Developer shall prepare and submit a Storm Water Management Plan in form and substance satisfactory to Council and obtain the prior approval of Alberta Environmental Protection pursuant to Bylaw C-4762-97 (Elbow Valley ASP). Such plan shall also include reclamation details for the former pond and wastewater treatment site(s) north of Hwy #8 and west of 117 St. S.W.
- 9.6.0 Private roads shall be constructed in accordance with geometric design guidelines and standards submitted by the Developer to the satisfaction of the Municipality, and in accordance with Bylaw C-4762-97 (Elbow Valley Area Structure Plan).
- 9.7.0 All Letters of Credit referred to in this Bylaw shall be calculated in accordance with current Municipal Policy and the estimate upon which the amount is to be based shall be certified by a qualified professional(s) or as determined by Council in its sole and unfettered discretion.
- 9.8.0 Except for 7.5.1, notwithstanding anything to the contrary in this bylaw, development permits shall not be required for individual residential buildings unless they are to be located within the flood fringe of the Elbow River or Lott Creek as defined by Alberta Environmental Protection pursuant to 1.7.0. No Development Permits for residential construction of any kind, nor any buildings or structures shall be permitted anywhere in the floodway of the Elbow River or Lott Creek, as defined by Alberta Environmental Protection pursuant to 1.7.0 (excepting water control apparatus or structures).
- 9.9.0 Show homes may be considered by the Development Officer as a discretionary use on the lands for up to five residential dwelling units per Residential Development Cell prior to the endorsement of a plan of subdivision provided that conditional approval for subdivision has been granted by Council for that cell, and further, that no occupancy of the said show homes shall occur until full municipal services (power, gas, sewer, water, telephone, etc.) are available to and immediately useable by residents of said dwellings and the plan of subdivision has been registered.
- 9.10.0 A Development Permit may be issued by the Development Authority for the removal of surplus loam from the Lands to an off-site location provided that the Developer demonstrates that the loam is surplus to the site and that removal of the loam is required in accordance with an approved site grading plan.
- 9.11.0 A temporary sales/information centre may be considered by the Development Officer as a discretionary use on the lands, provided it is not located within the Floodway of the Elbow River or Lott Creek.
