### **4.0 GENERAL REGULATIONS**

- 4.1 The General Land Use Regulations as contained in Section 8 of the Land Use Bylaw do not apply except where specifically noted herein.
- 4.2 The Development Officer shall consider and decide on applications for Development permits for those uses which are listed as "Permitted Uses" and "Discretionary Uses" by this bylaw provided the provisions of Section 4.0 and 10.0 herein are completed in form and substance satisfactory to the Municipality, except where specifically noted that Council approval is required.
  - a. Notwithstanding Section 4.2, for Residential Development Cells 1 through 4, Permitted Uses listed in the Bylaw are deemed approved, and Development Permits are not required, provided the provisions of the Bylaw are adhered to.
- 4.3 The Development Officer shall cause to be issued Development permits which have been approved.
- 4.4 For the purposes of this bylaw the Lands shall notionally identify Development Cells, the boundaries and description of which shall be more or less as indicated in Schedule "A" attached hereto and forming part herein, except as otherwise approved by the Council.

**ROCKY VIEW COUNTY  
DIRECT CONTROL BYLAW C-4499-1995**

**DC-36**

- 4.5 The location, maximum size and shape of the Development Cells are approximate and will be determined by Plan of Survey in form and substance satisfactory to the Municipality, to be submitted to the Municipality by the Developer as an application for subdivision approval.
- 4.6 The Residential Development Cells shall consist exclusively of Developable Land.
- 4.7 No use shall be made of all or any portion of the Lands for the Development of permanent Buildings on the bed and shore of Cochrane Lake or any water body located on the Lands. This provision does not include Development associated with the Recreation Centre cell (Section 6.0 herein).
- 4.8 The use of any portion of the Lands for man-made lakes associated with services shall be permitted only if the design and construction therefor is in accordance with plans prepared by a qualified Professional Engineer to the satisfaction of the Municipality and Alberta Environmental Protection.
- 4.9 In addition to the "Permitted Uses" contemplated in Sections 5.0 to 10.0 herein, the following shall be "Discretionary Uses" subject to the approval of the Municipality:
- 4.9.1 Private roads necessary for access; and private roads contemplated herein shall be constructed in accordance with geometric design guidelines and standards submitted by the Developer to the satisfaction of the Municipality and included in a Development Agreement.
- 4.9.2 All utility distribution and collection systems necessary to service the Development (excluding water and sewage treatment and disposal systems).
- 4.9.3 Pedestrian pathways.
- 4.9.4 Parking and Loading facilities in accordance with Section 8.5.1 of the Land Use Bylaw.
- 4.10 No Development of the Lands shall be permitted without and until a Historical Impact Assessment prepared by the Developer has been submitted and is satisfactory in both form and substance to each of the Municipality and the Alberta Community Development, Cultural Facilities and Historical Resources Division.
- 4.11 No Development of the Lands shall be permitted until the Municipality and the Developer have executed a Development Agreement(s) in form and substance satisfactory to the Council in its sole discretion.
- 4.12 Notwithstanding 4.11 and 4.14 herein, a Development Permit for grading of the Lands and the installation of utilities may be issued by the Development Officer provided the provisions of same are satisfactory to the Municipality in form and substance, subject to the completion of a Historical Impact Assessment as
