Criminal Record Check Results

Note: This is not an affirmation of good character

☒ **Negative:** Based solely on the name and date of birth provided by the applicant, a search of the RCMP National Repository of Criminal Records did not identify any records with the name and date of birth of the applicant. All available police records management systems and court records, where applicable were also searched. Positive identification that a criminal record does or does not exist at the RCMP National Repository of Criminal Records can only be confirmed by fingerprint comparison. Delays do exist between a conviction being rendered in court, and the details being accessible on the RCMP National Repository of Criminal Records. Not all offences are reported to the RCMP National Repository of Criminal Records.

☐ **Incomplete:** Based solely on the name and date of birth provided by the applicant, a search of the RCMP National Repository of Criminal Records could not be completed. All available police records management systems and court records, where applicable were also searched. Positive identification that a criminal record does or does not exist requires the applicant to submit fingerprints to the RCMP National Repository of Criminal Records by an authorized police service or accredited private fingerprinting company. Delays do exist between a conviction being rendered in court, and the details being accessible on the RCMP National Repository of Criminal Records. Not all offences are reported to the RCMP National Repository of Criminal Records.

☐ **Possible Match:** Based solely on the name and date of birth provided by the applicant, a search of the RCMP National Repository of Criminal Records has resulted in a possible match to a registered criminal record. All available police records management systems and court records, where applicable were also searched. Positive identification that a criminal record does or does not exist at the RCMP National Repository of Criminal Records can only be confirmed by fingerprint comparison. As such, the criminal record information declared by the applicant does not constitute a Certified Criminal Record by the RCMP. Delays do exist between a conviction being rendered in court, and the details being accessible on the RCMP National Repository of Criminal Records. Not all offences are reported to the RCMP National Repository of Criminal Records.

☐ **Local Conviction not Added to National Repository of Criminal Records:** Based solely on the name and date of birth provided and the criminal record information declared by the applicant, there was a criminal conviction registered on the date **below**, but not a sex offender record where a Record Suspension (Pardon) was granted. Delays do exist between a conviction rendered in court and the details being accessible on the RCMP National Repository of Criminal Records.

If "Local Conviction not Added to National Repository of Criminal Records" was selected, please provide the date the criminal conviction was registered on.
