Dear Donald Kochan,

On behalf of The War Amps, thank you for your very generous donation. With so many charities to choose from, we are truly grateful and honoured that you would choose our Association for this generous gift in support of the work we do for amputees in your community and across Canada.

Your donation will help us meet our commitments to them by providing financial assistance for artificial limbs as well as reliable information and expertise on living with amputation. The amputees we serve receive crucial support as they adapt to their new reality as an amputee or overcome challenges throughout their life.

For children in our Child Amputee (CHAMP) Program, becoming a part of the "CHAMP family" is life-changing, as they meet other amputees (often for the first time) at our seminars and form lifelong friendships that provide mutual support and guidance. Seminars also offer parents an opportunity to share tips and ideas with other parents of amputees who have "been there."

It is thanks to our donors that we are able to carry on our vital programs and fill the gaps in support for Canadians living with amputation. We do not take this support for granted, and we look forward to continuing The War Amps work and legacy long into the future.

Once again, thank you for your generous contribution and should you have any questions or wish to learn more about how your support makes a difference in the lives of amputees, please do not hesitate to reach out to us.

With kind regards,

Tamara Emery
