September 27	Elbow Valley – Fire Station 101	9 a.m. – 3 p.m.

Visit rockyview.ca/hhw for more information.

ORGANIC FOOD WASTE COMPOST

Food waste organics are now accepted at the all Rocky View County transfer sites and chuck wagons. Organics can be dropped off at locations during regular operating hours. All materials must go into the bin either loose, in a paper bag or in a certified compostable bag.

Some examples of accepted organic food waste material include:

- Fruits, vegetables, grains, seafood, dairy products, meat and bones
- Food scraps from meal preparation, plate scrapings and cleaning out the fridge
- Coffee filters, grounds and tea bags
- Cooking grease, cooking oils and condiments
- Chopsticks, popsicle sticks, paper straws and toothpicks
- Soiled pizza boxes, greasy take-out paper bags and paper fast food wrappers
- Food soiled paper towels and used facial tissues
- Paper plates and napkins
- Pet food including bird seed, pet fur or feathers and waste (kitty litter, pet shavings, dog waste need to be tied in a certified compostable bag before disposal)

Green cart tips that will directly benefit the quality of compost produced:

- Remove food from packaging (plastic, twist ties, elastics, etc.) before putting in the green cart/organics bin.
- No plastic or biodegradable bags, as well as no foam packaging (meat trays)
- Remove stickers from rinds and peels before composting
- No diapers or wipes
