- i. That no temporary signs shall be placed on the site at any time except any temporary signs required during development or building construction; and
- ii. That if any component on the any signage breaks, malfunctions in any way or fails to operate as indicated on the approved development permits plans, the sign shall be turned off until all the components are repaired and operating as approved.

10. That any new business signage shall require a separate Development Permit.
11. That signs not maintained to the satisfaction of the Development Authority may be required to be renovated or removed.
12. That the signage shall not be digital, flashing, or animated at any time.
13. That no sign or any part of the sign shall be within 3.00 m (9.84 ft) of overhead power and service lines.
14. That the sign shall not distract/pose a nuisance to adjacent parcels and/or vehicular traffic.
15. That all on-site lighting, including private, site security and parking area lighting, shall be designed to conserve energy, reduce glare, and reduce uplight, in accordance with Sections 225-231 of the County's *Land Use Bylaw C-8000-2020* (LUB). All lighting shall be full cut-off (shielded) and be located and arranged so that no direct rays of light are directed at any adjoining properties, that may interfere with the use and enjoyment of neighboring lands or interfere with the effectiveness of any traffic control devices or the vision/safety of motorists.
16. That if the development authorized by this Development Permit is not commenced with reasonable diligence within 12 months from the date of issue, and completed within 24 months of the issue, the permit is deemed to be null and void, unless an extension to this permit shall first have been granted by the Development Officer.

Advisory:

- That no signs, permanent or temporary, shall be allowed in a road allowance or County Road right-of-way at any time.
- That any other federal, provincial, or County permits, approvals, and/or compliances, are the sole responsibility of the Applicant/Owner.

If Rocky View County does not receive any appeal(s) from you or from an adjacent/nearby landowner(s) by **Tuesday, February 17, 2026**, a Development Permit may be issued, unless there are specific conditions which need to be met prior to release. If an appeal is received, then a Development Permit will not be issued unless and until the decision to approve the Development Permit has been determined by the County's Subdivision and Development Appeal Board.
