RE: Development Permit #PRDP20261167

Unit 42, Plan 9611742, SE-11-25-03-05; (27 POLOMINO BOULEVARD)

The Development Permit application for Dwelling, Single Detached (existing), construction of an addition, has been **conditionally-approved** by the Development Officer subject to the listed conditions below (**PLEASE READ ALL CONDITIONS**):

Description:

1. That the Dwelling, Single Detached (existing), construction of an addition approximately 37.07 sq. m. (399.02 sq. ft.) in footprint, bringing the total area of the existing Dwelling, Single Detached to 221.67 sq. m. (2,386.00 sq. ft.); may commence on the subject parcel, in general accordance with the application package, and site plans prepared by Ellergodt Design, Project Name: Lautner Residence, submitted dated February 27, 2026, as amended.

Prior to Release:

2. That prior to release of this permit, the Applicant/Owner shall confirm how the proposed development will be serviced for sanitary wastewater and potable water, to the satisfaction of the Development Authority.

Permanent:

3. That if the prior to release conditions have not been met by **OCTOBER 31, 2026**, or through an approved extension date, then this approval is null and void and the Development Permit shall not be issued.
4. That if transport operations associated with this Development Permit involve loaded heavy vehicle movements on County roads and exceeds any of the threshold identified below, the Applicant/Owner shall contact the County Road Operations (roaduse@rockyview.ca) and provide haul details for materials and equipment required during construction and/or site development:
 - i. More than 30 vehicle movements within any seven (7) day period;
 - ii. More than five (5) vehicle movements within any one (1) hour period;
 - iii. For the purposes of this condition, a "heavy vehicle" means a vehicle that exceeds any one of the following:
 - a. Two (2) axles;

- b. 11.00 (36.09 ft.) in length; or
 - c. A maximum allowable gross vehicle weight of 4,500 kilograms.
 - iv. Any required agreements or a Roadata/Heavy Haul/Overweight/Overdimension Permit shall be obtained unless otherwise noted by County Road Operations.
 5. That any plan, technical submission, agreement, or other matter submitted and approved as part of the Development Permit application or as submitted, shall be implemented, and adhered to, in perpetuity.
 6. That there shall be no more than 2.00 m (6.56 ft.) of excavation or 1.00 m (3.28 ft.) of fill adjacent to or within 15.00 m (49.21 ft.) of the proposed dwelling unit under construction.
 7. That the proposed addition to the existing Dwelling, Single Detached shall be constructed on a permanent foundation.
 8. That there shall be adequate sanitary sewer and water servicing provided for the proposed addition, in accordance with conditions of this approval.
 9. That the Applicant/Owner shall take whatever means necessary to prevent visible dust associated with the development from escaping the site and having adverse effects on adjacent roadways and properties.
 10. That the Applicant/Owner shall be solely financially responsible for rectifying any adverse effect on adjacent lands from drainage alteration, including stormwater implications from the proposed development. Post-development drainage shall not exceed pre-development drainage.
 - i. That any lot regrading and excavation is not to direct any additional overland surface drainage nor negatively impact existing drainage patterns in any road right-of-way; and
 - ii. That upon completion of the proposed development, the County may request the Applicant/Owner submit an as-built survey, confirming the post-development drainage does not exceed pre-development drainage and is in compliance with any matter submitted and approved as part of the of the Development Permit application, or in response to a Prior to Release condition.
 11. That all on-site lighting, including private, site security and parking area lighting, shall be designed to conserve energy, reduce glare, and reduce uplight, in accordance with Sections 27 of the County's *Land Use Bylaw C-4841-1997* (LUB). All lighting shall be full cut-off (shielded) and be located and arranged so that no direct rays of light are directed at any adjoining properties, that may interfere with the use and enjoyment of neighbouring lands or interfere with the effectiveness of any traffic control devices or the vision/safety of motorists.
 12. That if the development authorized by this Development Permit is not commenced with reasonable diligence within twelve (12) months from the date of issue and completed within twenty-four (24) months of the issue, the permit is deemed to be null and void, unless an extension to this permit shall first have been granted by the Development Officer.
