Proposed Amendments to the *Regional Transportation Off-Site Levy Bylaw* - FIRST NOTICE

Rocky View County Council will be considering amendments to the *Regional Transportation Off-Site Levy Bylaw* on November 24, 2026 that must be advertised in accordance with section 648(6) of the *Municipal Government Act:*

Proposed Amendments to *Regional Transportation Off-Site Levy Bylaw* C-8798-2026

Following adoption of *Regional Transportation Off-Site Levy Bylaw C-8549-2024* in January 2025, the Janet Area Structure Plan was amended. The transportation network identified in the amended Janet Area Structure Plan is not accurately reflected in the long-range transportation network or Special Area 3 of the *Regional Transportation Off-Site Levy Bylaw*. As a result, the proposed amendments to the *Regional Transportation Off-Site Levy Bylaw* include:

- updating the long-range transportation network to reflect the amended transportation network identified in the Janet Area Structure Plan. There are no increases to the base levy rates being proposed at this time; and
- updating Special Area 3 to remove the "61 Street Flyover" and add the "61st Avenue Expansion" to reflect the amended transportation network.

Bylaw C-8798-2026, being the bylaw to amend the *Regional Transportation Off-Site Levy Bylaw*, is scheduled to be considered by Rocky View County Council at the November 24, 2026 Council meeting, which will be held in the Council Chambers at County Hall starting at 9:00 a.m.

The agenda for the November 24, 2026 Council Meeting will be published on Rocky View County's website on November 18, 2026 at https://www.rockyview.ca/government/council/meetings-and-hearings

As per section 231 of the *Municipal Government Act*, petitions cannot be filed on the proposed amendments to the *Regional Transportation Off-Site Levy Bylaw.*

Questions regarding the proposed amendments to the *Regional Transportation Off-Site Levy Bylaw* may be forwarded to Engineering@rockyview.ca or 403-230-1401.
