## ARE YOU A BUSINESS? HAVE YOU PROVIDED YOUR FEEDBACK YET?

The County wants to hear directly from local businesses as it explores business licensing options.

Share your feedback on potential fees, whether some businesses should be exempt, compliance and enforcement approaches, renewal timelines, and how to address businesses based outside the County. At this point, Council has not made a final decision on whether to implement business licensing.

Businesses and Chambers of Commerce are encouraged to complete the online survey by **July 31, 2026**.
