Definitions

2 Words in this bylaw have the same meaning as set out in the *Municipal Government Act* except for the definitions provided in Schedule 'A' of this bylaw.

Application and Interpretation

3 The Chief Administrative Officer is authorized to administer this bylaw and to supervise, control, and direct Rocky View County's curbside collection service.

4 Nothing in this bylaw relieves a person from complying with the provisions of any federal or provincial legislation, other Rocky View County bylaws and policies, or the requirements of any lawful permit, order, or licence.

5 Specific references to other bylaws, legislation, and regulations are intended to refer to the current laws applicable at the time of this bylaw, as may be amended from time to time, including any successor legislation.

6 All schedules attached to this bylaw form part of this bylaw.

7 In the event Rocky View County becomes a designated community under the *Extended Producer Responsibility Regulation*, then upon the producer collection service becoming operational pursuant to the *Extended Producer Responsibility Regulation,* the County may, in its sole discretion, determine to no longer provide recycling carts or collection services pursuant to this bylaw.

Level of Service

8 Rocky View County will provide curbside collection to all customers located within a designated community, as established in Schedule 'D' of this bylaw.

9 Rocky View County will provide curbside collection to all customers located within a designated community in accordance with the service standards established by the County.

10 Rocky View County will only collect one garbage cart, one recycling cart, and one organics cart from each residential premise located within a designated community.

11 All customers within a designated community must participate in curbside collection and pay the rates, fees, and other charges specified in the *Master Rates Bylaw* with respect to the same. No residential premises are exempt from curbside collection.

12 Any person other than Rocky View County is prohibited from providing curbside collection or similar services in a designated community in accordance with section 33 of the *Municipal Government Act.*

13 Owners or occupants of multiple unit dwellings, commercial buildings, institutions, industrial sites, and any buildings other than residential premises must make their own arrangements for the proper removal and disposal of garbage, recyclables, and other waste materials.

New Construction

14 For any newly constructed residential premises within a designated community, curbside collection and the invoicing of applicable fees will commence when the owner or occupant is granted permission to occupy the residential premise through an occupancy permit issued under the applicable building permit.

Contracted Curbside Collection

15 Rocky View County may, on request, provide curbside collection on a fee-for-service basis for residential premises located within the County not already receiving mandatory curbside collection pursuant to this bylaw.

16 The Chief Administrative Officer will establish the availability, conditions of service, frequency, methods of collection, waste storage, collection point locations, and fees for contracted curbside collection provided by Rocky View County.

Collection Carts

17 All residential premises located within a designated community will be supplied with three collection carts: one garbage cart, one recycling cart, and one organics cart.

18 Collection carts are supplied and owned by Rocky View County and will be assigned to specific addresses within designated communities.

(1) Customers must return a collection cart to the County upon request.

(2) Only collection carts supplied by the County may be used for the purposes of waste collection under this bylaw.

19 If a collection cart is lost, stolen, or damaged, the customer may make a request to Rocky View County to repair or replace the collection cart at no cost to the customer, subject to the following:

(1) if the damage to the collection cart is deemed to be as a result of non-compliance with any part of this bylaw, the customer is responsible for the full costs of the repair or replacement along with any other applicable fees or charges as set out in the *Master Rates Bylaw*;

(2) if a collection cart is damaged as a result of the customer's neglect or willful damage, the customer is responsible for any costs incurred; or

(3) if a collection cart is lost or stolen, the customer is responsible for the full costs of the repair or replacement along with any other applicable fees or charges as set out in the *Master Rates Bylaw*.

20 The Chief Administrative Officer will have final discretion on matters related to section 19 of this bylaw.

21 No person may alter or modify a collection cart for the purpose of changing the intended use of the collection cart without the written consent of Rocky View County.

Collection Schedule

22 Curbside collection will be provided by Rocky View County on designated collection days as determined by the Chief Administrative Officer. The Chief Administrative Officer may make alternate collection arrangements when weather conditions or other circumstances do not allow for collection on designated collection days.

Use and Placement of Collection Carts

23 Every customer must ensure that:

(1) garbage is stored in their garbage cart;

(2) recyclable material is stored in their recycling cart; and

(3) organic waste is stored in their organics cart.

24 Every customer must ensure that their collection cart:

(1) is not filled higher than the upper rim or in a manner that prevents full closure of the collection cart lid;

(2) does not have its contents compressed in such a manner that inhibits the garbage, recyclable material, or organic waste from falling freely from the collection cart during the automated collection process; and

(3) does not contain any material that might adhere to the inside of the collection cart; such material must be separately wrapped prior to being placed in the collection cart.

25 No customer may set out for collection any garbage, recyclable material, or organic waste that is not generated by the residential premises to which the collection cart is assigned.

26 All collection carts set out for collection, subject to the Chief Administrative Officer's discretion, must:

(1) be placed in a manner such that automated collection may occur without a collector being required to manually move the collection carts in order to allow pick up;

(2) be placed in a manner such that the front of the collection cart is facing a roadway or alley;

(3) where any residential premise is served by an alley, be placed adjacent to the alley with clearances of at least one metre to the rear, one metre between the carts, and one metre from any obstacles such as motor vehicles or utility boxes;

(4) in cases where a residential premise is not served by an alley, be placed for collection along the roadway at the edge of the curb with clearances of at least one metre to the rear, one metre between the collection carts, and one metre clearance from any obstacles such as motor vehicles or utility boxes;

(5) not be placed on a sidewalk or beyond the edge of the curb of a roadway, or on the travelled portion of a street or alley so as to interfere in any way with vehicle or pedestrian traffic;

(6) be placed on an even surface at the level of the roadway or the alley;

(7) be placed for collection in a manner such that the collection cart cannot easily be tipped over; and

(8) be maintained in good repair and in a reasonably clean and sanitary condition.

27 All garbage, recyclable material, and organic waste set out for collection remains the property of the person setting out the garbage, recyclable material, and organic waste until collected by Rocky View County.

28 All garbage, recyclable material, and organic waste set out for collection must be placed in collection carts at a collection point before 7:00 a.m. on the designated collection day.

29 Customers must not place collection carts at a collection point any earlier than 6:00 p.m. the day prior to the designated collection day.

30 Customers must remove empty collection carts from the collection point within 18 hours of collection.

31 Collection carts must be stored on the residential premises to which the collection cart is assigned and must not encroach upon or project over any street, alley, or public place except when placed on such street, alley, or public place for the purpose of collection.

32 Collection carts must be stored with the lid closed to, for example, reduce odours, prevent litter, and prevent water accumulation in the cart.

33 Customers must make collection carts available to Rocky View County or its contractors or agents within a reasonable time frame upon request for inspection or repair purposes.

56 Payment of any penalty or fine imposed pursuant to this bylaw does not relieve a person from the necessity of paying any fees, charges, or costs for which that person is liable under the provisions of this bylaw or any other bylaw or enactment.

Offence

57 Any person who violates any provision of this bylaw is guilty of an offence and is liable, upon conviction, to a specified penalty pursuant to Schedule 'C'. Where there is a minimum penalty listed for an offence in Schedule 'C', that amount is the minimum penalty payable for that offence.

(2) a third or subsequent time within a 12-month period of committing the first offence is liable, upon conviction, to a penalty triple the amount of the specified or minimum penalty for that offence.

60 In the case of an offence that is of a continuing nature, a contravention constitutes a separate offence in respect of each day, or part of a day, on which it continues.

Enforcement

61 When an Enforcement Officer has reasonable and probable grounds to believe that a person has violated any provision of this bylaw, the Enforcement Officer may commence court proceedings against such person by:

(1) issuing the person a violation ticket pursuant to the provisions of the *Provincial Offences Procedure Act*; or

(2) swearing out an information and complaint against the person.

62 When an Enforcement Officer issues a person a violation ticket pursuant to section 61(1) of this bylaw, the Enforcement Officer may either:

(1) allow the person to pay the specified penalty established in Schedule 'C' of this bylaw for the offence by including the specified penalty for that offence in the violation ticket; or

(2) require a court appearance of the person when the Enforcement Officer believes that such appearance is in the public interest pursuant to the provisions of the *Provincial Offences Procedure Act*.

63 In addition to the remedies set forth elsewhere in this bylaw, a Designated Officer may issue an order pursuant to section 545 of the *Municipal Government Act* for any contravention of this bylaw.

(1) A person subject to an order must comply with the order.

(2) A person subject to an order may appeal it to the Enforcement Appeal Committee pursuant to the *Municipal Government Act* and the *Appeal and Review Panel Bylaw*.

64 No provision of this bylaw, nor any action taken pursuant to any provision of this bylaw, will in any way restrict, limit, prevent, or preclude Rocky View County from pursuing any other remedy in relation to an offence as may be provided for in the *Municipal Government Act* or any other law of the Province of Alberta.

Corporations and Partnerships

65 When a corporation commits an offence under this bylaw, every principal, director, manager, employee, or agent of the corporation who authorized the act or omission that constitutes the offence or assented to or acquiesced or participated in the act or omission that constitutes the offence is guilty of the offence, whether or not the corporation has been prosecuted for the offence.

68 For the purposes of this bylaw, an act or omission by an employee or agent of a person is deemed also to be an act or omission of the person if the act or omission occurred in the course of employment with the person or during the employee or agent exercising the powers or performing the duties on behalf of the person under their employment or agency relationship.

Severability

69 Each provision of this bylaw is independent of all other provisions. If any provision of the bylaw is declared invalid for any reason by a court of competent jurisdiction, all other provisions of this bylaw will remain valid and enforceable.
